

Remote Coaching

Analyze your session/videos direct with us online via live screen share and video analysis software

initiativesurf 

Each skill set broken down frame by frame
Comparisons with relevant examples
Digitally smooth online process*
*(requires stable and solid Wi-Fi connection)

How it Works

Pre-plan your session or send us video already collected

Call us live from the beach to structure the session based on conditions

Upload video from session to us via google drive or any file sharing

**We will walk you through the whole process*

We will send a link to a video meeting and you can connect direct no app or subscription needed

1hr session(approx.) live video conference call - \$90

PayPal initiativesurf@gmail.com

Leave the session with clear objectives and written notes

Images, screenshots and video clips to summarize

Follow up consultations via messaging
